

## **STATEMENT OF VALUES**

---

Together, we empower the **Future** 

## CUSTOMER CENTRALITY

Our focus is always on the customer. We need to do all we can to satisfy our customers, showing that we are working alongside them to ensure their success, and so also furthering our own success.

Together, we empower the **Future** 

### A GROWTH MINDSET

We encourage everyone to tackle any challenges with resolve, and to always aim for excellence, through a process of Continuous Improvement. By growing alongside our customers, we can build a future where we all share in success.

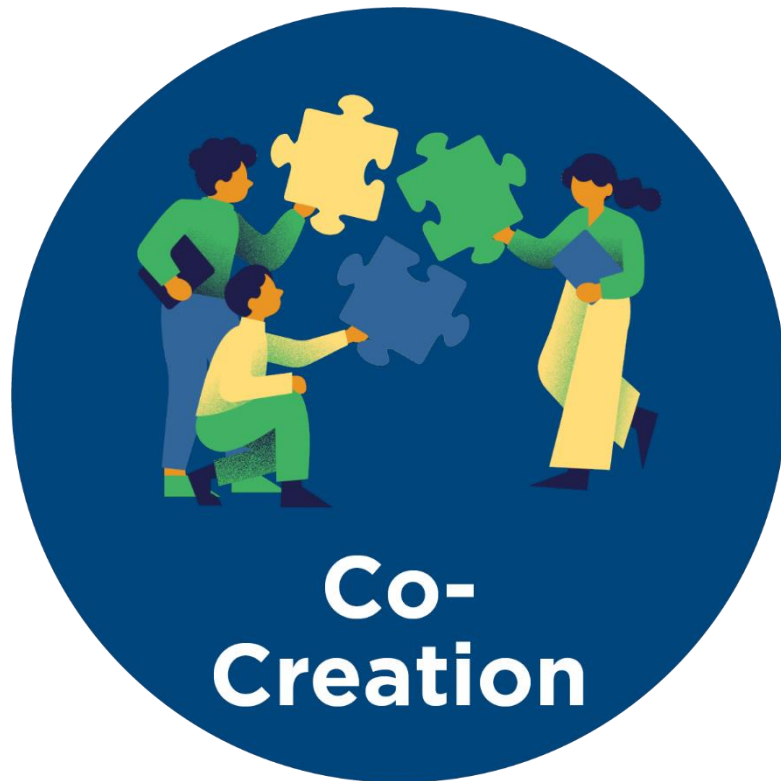

Together, we empower the **Future** 

### OPEN DIALOGUE

We are committed to fostering a safe and respectful working environment, where open conversations lead to a consensus and produce informed decisions, ensuring that every choice is based on collective understanding and support.

Together, we empower the **Future** 

### CO-CREATION

By breaking down barriers and leveraging our global resources and expertise, we work together as a single TEAM to create value for our customers.

Together, we empower the Future
